Dual Credit Programming

Dual Credit Program: Students are enrolled in both post-secondary institutions and high schools concurrently and earn credits towards both a high school diploma and post-secondary degree or diploma.

Dual Credit Programming

- Earn high school and post-secondary credits (transferable)
- Get the support of a high school teacher during first University experience
- Reduce first year course load/reduce the time to complete a program
- Study in an area of passion and interest
- Support successful transition to post-secondary institutions
- Potentially reduce the cost of post-secondary learning

Program Benefits

- Expert Instruction from St. Mary's University Instructors
- Earn 3 post-secondary and 5 - 3000 level CTS high school credits
- Tutorials are designed to support CBE learners at Joane Cardinal-Schubert High School specifically.

Program Costs

Student tuition fees are covered through the dual credit program.

Additional costs are the responsibility of the student and may include:

- Course Materials
Macionis, J.J. and Gerber, L.M. Sociology.
Toronto, ON: Pearson
- Transportation to and from the St. Mary's (at least two times in the semester throughout the semester).

Financial assistance is available should costs be a barrier. Please contact Mr. Tink or Ms. Clark to discuss further if this may apply to you.
